

# DiscourseNet Summer School 6: Ethnography meets Discourse Analysis

30 June – 3 July 2020

Akademie für Politische Bildung, Tutzing, Bavaria, Germany 

- Join us for a three-day graduate school to explore how you can integrate ethnography and discourse analysis in your research study.
- Acquire skills in methods, theory, impact and reflection from a broad range of perspectives.
- Enjoy workshops, reading groups, lectures, fieldtrips, introductions to software packages, data & writing sessions in the beautiful surrounding of the Starnberger Lake.
